#### Head Lice

Just a reminder to all parents, several students have had head lice in the last two weeks. Our school makes every effort to deal with this situation as effectively as possible. We do need the cooperation of every parent to eliminate head lice. Please check your child's head on a regular basis. Information and instruction about this can be found on our school website: <http://stambrose.hpcdsb.edu.on.ca> or the Board site at [www.hpcdsb.edu.on.ca](http://www.hpcdsb.edu.on.ca) (under About Us / Policies )

**Please note we are asking for volunteers to check heads on March 10 from 9-10:30. We will check all students at this time. If you can help our staff at this time please call the school.**

#### Proper Attire at School

With the raining weather beginning we would like to remind parents to be sure that children come dressed for the weather. The students are not expected to go outside if it is raining but it is always a good idea to wear proper footwear and carry extra socks. Students must wear shoes or slippers in the school. **Students must have running shoes for gym activities.**
